

Mission Statement

“Everyone at Gordon Morris Ltd. has a thorough knowledge and understanding of deafness and the high standard we must achieve to ensure our customers and hearing aid users benefit from a high quality and reliable product” (Gordon Morris, Managing Director).

Gordon Morris Ltd. is a hearing specialist company of national standing, combining professionalism and technical expertise with Gordon’s own enthusiasm and insight. Over 20 years experience in this field means that we can supply, install, maintain and advise on a range of equipment and environmental aids for hearing impairment.

As a hearing aid user for over 40 years, Gordon understands at first-hand the frustration hearing impaired people experience with inadequate assistive equipment.

We aim to satisfy all our customers with a service that informs, educates and enriches the lives of people with hearing impairment, and to inspire people to work to the highest ethical standards.
